HEALTH & WELLNESS CENTER

Transparency in Healthcare

We are happy to inform our Billings family that we are performing COVID-19 testing and vaccinations per the CDC guidelines. In an effort to be fully transparent we have listed the costs associated with these services below. These charges are billed to your insurance. All COVID-19 services are covered under our billing and payment policy.

Test	Charge
COVID-19 diagnostic test (rapid and sent)	\$52.00
COVID-19 vaccine & administration	\$75.00

If you have no insurance available please let the front desk know so they can get you set up with our Patient Navigator for assistance.

If you have any questions regarding billing, please contact our billing office at 406-534-4558 ext. 42.

Thank you and have a blessed day!
